Regional Director's Report
June 2021

A new MVCRA President was nominated and elected for the 2021-2022 term. Stacey Utt is the new President, replacing Diane Fawley. MVCRA still needs a volunteer for the Nominating & Elections Committee.

A Spring 2021 business meeting was held virtually on March 30, 2021 and Stacey presided over the meeting. The treasurer, Kris, was unable to attend, so Stacey reported on the treasurer's activity in her absence. Lisa Boster reported updates from the OCRA Board Meeting which was held in March. Jeremy Laws also attended and provided several important updates from OCISS and answered questions from members.

During the meeting, there was discussion regarding waiving membership dues for 2021 and automatically advancing memberships from 2020 to 2021, due to pandemic restrictions prohibiting in-person meetings in 2020. Motion was made to accept this change, and the motion was approved. Suggestions of how to increase participation was put on hold due to current pandemic issues and meeting restrictions.

Atrium Medical Center volunteered to host a Summer 2021 MVCRA meeting. Plans were initially made to meet virtually but allow for possibility of in-person meeting should restrictions be lifted. There is no confirmed date for that meeting yet.
