***OHIO CANCER REGISTRARS ASSOCIATION (OCRA)  
2021-2022 BOARD MEETING REPORT  
CCRA***

CCRA has nothing to report, but I would like to bring an issue to the Board's attention.

Since 2019 and ongoing, CCRA has had only a handful of members and we have not been able to come together as a whole. We were fortunate enough to have put together the last Annual State Meeting in September.

**At this time I would like to get some input from the Board on how to keep the CCRA region together and increase the membership? We have several members who have retired and continue to participate, but 6 to 7 members is not enough. It was suggested that we turn over the balances of our accounts to OCRA.**

**Any suggestions would be greatly appreciated at this time.**
