

OHIO CANCER REGISTRARS ASSOCIATION (OCRA)

2024 Q1 REPORT

SOCRA Regional Director

- Our 2024 Q1 meeting will be held virtually on Wednesday, March 13th.
- Please see our OCRA Annual Meeting Subcommittee reports below:

Hotel Committee

We are proud to say we have secured a beautiful venue with great food at the Holiday Inn Cincinnati North - West Chester at Center Park. It is conveniently located off I-75 north of Cincinnati and it includes great amenities including a fitness center and indoor heated pool! There is a fantastic steakhouse at the hotel which will cater all the food for the conference. A new sales manager has taken over our account at the Holiday Inn. In discussing our needs, we were made aware that Holiday Inn will supply our A/V needs at the cost of microphones only (approximately \$100 per microphone). Holly is in contact with a student interested in assisting with facilitating a hybrid conference.

Program Committee

Ruth has posted a save-the-date to the OCRA website. The committee is designing a flyer to be posted with registration.

Speaker Committee

An outline of the agenda has been created and there are 5 confirmed speakers so far.

Vendor Committee

We currently have 32 exhibitors on our invitation list and have invited all 32 between March and April of 2024. Five exhibitors have shown interest or forwarded our invitations. So far, we have three exhibitors attending the 54th OCRA annual meeting. Two of them will be attending for one day and the third for two days. We plan on reaching out to the other vendors again in May 2024.

Social Event Committee

Nothing to report.

Door Prize Committee

We have received \$300 in donations for door prizes. Ideas are being discussed.
