March 15, 2025 BOARD MEETING REPORT

Dr. Shirley Jordan Seay – Regional Director ONCODSA

1. In our last meeting, we approved an update to our bylaws, further defining student member and their role in the organization. Officer positions identified that still required filling to facilitate our process and positioning for application for a 501 c 3. We plan to activate our website before the application.
2. Connection article shared that highlights the new in-person education requirement, and the NCRA ballot of offices up for election.
3. Work in progress on our website, and once completed, will look to pursue 5021 c 3 status.
4. Members were reminded of the upcoming NCRA conference and the group payment option with OCRA.
5. Members encourage to consider volunteer position at NCRA.
