## OHIO CANCER REGISTRARS ASSOCIATION (OCRA)

### 2024-2025 BOARD MEETING REPORT

Miami Valley Cancer Registrars Association (MVCRA) Regional Director

MVCRA members have been regularly meeting virtually for the planning of the annual OCRA state meeting scheduled for September 25-26, 2025 in Fairborn, OH. The budget cuts for OCISS did result in a bigger challenge to fill all slots for speakers; however, after much effort, we were able to fill the schedule. We would like to give a special thank you to Emily Stewart from OCISS for the tremendous help she was able to provide.

A second quote for providing audio/visual equipment for both days was received and was approximately double the quote from the vendor associated with the hotel.

On July 29, the venue/food committee met with Melissa, the DoubleTree staff member working with us on details for the event. We discussed details regarding room setup and received a tour of the facility, including one of the newly renovated hotel rooms. Concern regarding the cost of A/V equipment rental was brought to Melissa's attention. We explained our budget was \$2800 for the equipment. She negotiated on our behalf, and we were informed that the cost has been adjusted and should be no more than \$2800, including the 20% service charge from the hotel.

The event flyer was finalized and registration opened on 8/8/25.

Our next planning meeting is scheduled for August 19<sup>th</sup>.
