### 2025-2026 BOARD MEETING REPORT

MVCRA Regional Director's Report

March 2026

- In January, we held a social event that was attended by 7 registrars from 4 different registries. We talked about what was going on in our respective registries and what the annual meeting might look like. We discussed who might be able to host a satellite site if needed.
- Our next meeting will be an educational meeting -possibly in July, but time and place is yet TBD.
