### 2025-2026 BOARD MEETING REPORT

NWOCDS Regional Director

- No membership drive this year
  - Historically has been a small regional membership, always less than 30 members.
  - Several have retired, others have moved away
  - No one wants to be on the regional board and I am only 1 person so its difficult for me to do everything on my own.
- Very little engagement on Facebook
- Still have an active bank account
  - Last I knew there was over \$900 in the account
  - What to do with account/money?
- Have tried different days/times for meetings, sending surveys. Open to suggestions from others.
  - Many felt there was little benefit to having regional associations, State was enough.
  - I do think at this point most of the hospitals in the area are using contract companies
  - Where do I/we go from here?
